JANET BETTEN and Cathy Danne, 6th and 7th grade pupils at Marin School, and Michael Still, of Albany, will be on the International Newsreel on Micky Mouse Club this Friday, Feb. 17, at 5 p.m., in the film entitled, "Let's Go to Press." This is a film taken last summer by the Walt Disney photographer, which shows the two girls putting out their newspaper, "The Carmel Avenue News," which is still being published, and has grown from a one-page typewritten sheet to a two-page hand-mimeographed edition.

A donation of 50 cents may be made at the door, and refreshments will be served by the ladies of the auxiliary without charge.

Rotary to Hear Saga of E. Bay Pioneer Firm

James E. "Speed" Glidwell, vice-president of engineering sales, Hal-Scott Motor Company of Berkeley, will address the Albany Rotary Club members and guests at Spenger's next Tuesday noon on the subject, "The Hall-Scott Story."

The story will take his hearers back to the famous Liberty Motors of World War I; years of commercial success prior to World War II, and then the production of aviation and speedboat motors during that conflict. The firm is said to be the oldest manufacturing company in Berkeley. President William G. Woolworth will preside.

Albany Rotary has a full week this week for on Saturday night the club members and guests will join in a Valentine's Dinner Dance at Spenger's, starting with a social hour at 7 o'clock, followed by the dinner dance at 8 and a program of entertainment.

The Albany club also is looking forward to Thursday, March 15 when it will be the host club at an Albany Inter-Service Club Dinner. This event also will be held at Spenger's restaurant in West Berkeley, with dinner scheduled for 6:30 p.m. The price will be \$3 per plate.

Annual Bowling Championships Open Tomorrow

The Metropolitan Oakland Bowling Association's annual City Championship tournament will open tomorrow and will continue through Mar. 4, with the team event of 750 being held at the Albany Bowl, 540 San Pablo Ave.

Starting the championship program off in good shape, Mayor Lewis M. Howell, of Albany will be present and will officiate at the opening ceremonies.

The doubles and singles events will be held at the Alameda Bowl in Alameda over the period between Feb. 18 and Mar. 11.

According to Carl Hughes of the Albany Bowl the list of entries this year is the highest in the history of the association. The previous high record for teams was last year when 670 were entered.

Pursel Talks Before Albany C. of C. Meeting

Members of the board of directors of the Albany Senior Chamber of Commerce held an interesting luncheon meeting on Thursday, Feb. 9 at Roberta's Cafe, with chairman of the Alameda County Board of Supervisors, Kent D. Pursel, as guest of honor. President Johnny Reich presided.

Numerous matters connected with the chamber's plans for not only advertising Albany, but for building up the organization's membership and close cooperation among the members were discussed in detail. Many of the problems facing East Bay cities, including traffic, industry and development were outlined by Mr. Pursel.

In addition to Pursel and Reich those in attendance at the luncheon were: Gartner Thomas, secretary; Kay Fritz, Len Recchianno, Roy Harford, Cecil Lavers, Ed Haran, George Vila, Dr. Robert Bagalup, Jack Snavely, Herbert Foley, Cecil Wentz, Stan Sanjuk and Hal Weller.

City Needs More Election Officers

Albany City Clerk Myrtle J. McLean reports that she is somewhat worried over a shortage in her list of election officers. She declares that there always are some who may be ill; some called out of town, or otherwise unable to serve at the election, and she needs at least 20 more for the coming election on April 10. If you will be available for that date please call City Clerk McLean at the Albany City Hall, LAnd. 6-6116.

SPONSORED BY four Albany clubs, the annual benefit basketball program held at Albany High School gymnasium on Jan. 27 netted more than \$225 for the Polio March of Dimes. Shown above are representatives of the participating clubs at the ceremony of turning over the proceeds. Left to right: Seated, are Jack Snavely, manager of the Mechanics Bank, Albany Branch, and William Thomas chairman of the Albany March of Dimes. Standing, left to right: Dave Lyon, president of the Albany Lions Club; Arthur Longpre, vice-president of the Albany Exchange Club; Roy Holland of American Legion Post No. 292, and Mickey Etinghoff, of the Albany Junior Chamber of Commerce.

Freda Hanelt Seeks Post on School Board

Freda Evelyn Hanelt, 810 Pierce St., Albany, has filed this week for the post of member of the Albany Board of Education, and will run for the full term in the city elections, April 10.

Mrs. Hanelt and her husband, Leslie C. Hanelt, superintendent of an San Francisco paint factory for the National Lead Company, became interested in the progress of young women and it was her desire to further the education of girls wishing to go on to college with additional scholarships whenever possible.

Adele Cortese has majored in a stenographic course in Albany High School and will enter Merritt Business College to further her training in this field.

The Soroptimist Club of Albany, according to President June McMahon, is proud of the scholarships that have been awarded in the past and most proud of the girls who received them. Some of the recipients of the awards are: Carol Hartman who was given a nurses' scholarship and who has completed her nurses training; Leah Kellogg who received a teaching scholarship and who after completing her education is now teaching; June Smith who has been given two scholarships (one at the time of her graduation from high school and the second for continuation in her college work) in the field of public health; Pat Lynch has received a scholarship which she used at University of California in the field of sociology.

Albany Chamber of Commerce Plans Booster Campaign for '56

The Albany Chamber of Commerce has dedicated itself to boost business firms, service clubs, civic organizations, churches and the local newspaper.

Why? Because they stand by their community and at all times are willing to lend a helping hand in the support of civic enterprises and because they back every move that is for the best interests of the community.

But we wonder if the general citizenry of the community realize the worth of these groups of the many things they do for the community and its people and how much we owe to them.

We might well ask these questions: Who contributes most to community welfare, to civic improvements, to charity?

Who are the first to combat the things that are injurious to our community, to society, to our industrial, commercial, financial and moral life?

Who dig into their pockets deeper to support community benefits?

The answers are the same in all cases—the business and professional men and women, the service clubs, organizations, churches and the local newspaper which contribute of their time, their energy and money

Soroptimist Club Gives "Ruby Kampe Scholarship" of \$100

The Soroptimist Club of Albany is awarding a scholarship in the sum of \$100 to Adele Cortese, according to President June McMahon.

The scholarship is one set aside in the memory of Past President Ruby Kampe and is known as the "Ruby Kampe Scholarship." Past President Ruby Kampe was greatly interested in the progress of young women and it was her desire to further the education of girls wishing to go on to college with additional scholarships whenever possible.

Adele Cortese has majored in a stenographic course in Albany High School and will enter Merritt Business College to further her training in this field.

Albany Chapter United Nations Group to Meet

The next meeting of Albany Chapter of the United Nations group will be held on Wednesday evening, Feb. 22 at 8 p.m. at the Cornell School Library. The Albany High Twelve Club will act as co-sponsors. Election of officers will precede the program.

The feature of the evening will be a talk by Consul General Niconor Roxas of the Philippine Islands. He will discuss the work of the United Nations and UNESCO in the islands.

Refreshments will be served and an opportunity given to residents of Albany to meet this distinguished visitor. Judge Louis J. Hardie, president, will preside. The public is invited.

Happiness is spiritual, born of Truth and Love. It is unselfish; therefore it cannot exist alone, but requires all mankind to share it.

ENGINEER CARTER TO QUIT MAY 15

City Engineer Howard Carter will take his accumulated vacation starting May 1, and will sever his connection with the city as of May 15, according to his recent letter of resignation and action by the council on Monday night.

A motion by Councilman Jerome Blank to accept the resignation as of the above dates, "with regret," was passed 3 votes to 1 with Mayor Howell voting "No" and Councilwoman Zahn passing her vote. The mayor said he thought Carter had done a splendid job for the city, and that he regretted much that Albany would lose his services.

A letter from the League of California Cities concerning a uniform sales tax ordinance was discussed, but action was held over in order to see what the county authorities would do, as the local ordinance would have to conform to anything the county might adopt, according to the new state law.

The question of renewing a two-year insurance policy covering "Forgery, Check Alteration and Mechanical Guarantees" bond due to expire Mar. 22, was held over pending consultation with the Albany Insurance Agents Association.

A letter from the Albany Chamber of Commerce relative to an allotment of \$250 in the city budget for landscaping the City of Albany sign on the east side of Eastshore Highway and asking that the allotment remain in effect, was discussed. The Chamber letter said the landscaping had been delayed owing to the possibility of a change in alignment of the highway which might necessitate moving the sign to the west side for better visibility. A letter was ordered written to the Chamber stating that the allotment probably would be renewed in the 1956-57 budget this summer. It was pointed out, however, that possible changes in the council at the April 10 election might affect the item, but the belief was expressed that no change in policy was likely.

The council approved the renewal of the present dump contract for another three years.

Increase in the salaries of the city's public health nurses retroactive to July 1, 1955, was approved, in keeping with the previous action of the Board of Education.

A motion was passed asking the Civil Service Club to draw up a statement of arguments in favor of the proposed change in pension allotments to be voted on in April. If any opposition arises the mayor said some arrangement would be made to have an opposition argument drawn up.

Democrats to Have Speaker on Mar. 3

In order to have State Senator Richard Richards as its guest speaker the Seventh Congressional District Democratic Pre-primary endorsing convention has been postponed to Saturday, Mar. 3 at 10 a.m., at the Oakland Auditorium Theater. "We are fortunate in having Mr. Richards who is the candidate for the U.S. Senate recently endorsed by the Democratic Council meeting in Fresno, make his first Albany appearance at this convention," said Mrs. Dorothea Greene, co-chairman of the Seventh Congressional District in making the announcement.

At the Mar. 3 meeting Democratic delegates will gather from every club and every precinct with individual members of the national, state, county, and Democratic council committee members to endorse a candidate for the House of Representatives from the Seventh District, and for the State Assembly from the 16th, 17th and 18th Assembly districts.

CHRISTIAN SCIENCE

How greater intelligence and wisdom can be gained through scientific understanding of God, divine Mind, will be brought out at Christian Science services Sunday.

The Lesson - Sermon entitled, "Mind" will include the following selection from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (128:4-11): "The term Science, properly understood, refers only to the laws of God and to His government of the universe, inclusive of man. From this it follows that business men and cultured scholars have found that Christian Science enhances their endurance and mental powers, enlarges their perception of character, gives them acuteness and comprehensiveness and an ability to exceed their ordinary capacity."

Also emphasizing the divine source of wisdom is the Golden Text from the King James Version of the Bible (Proverbs 2:6): "The Lord giveth wisdom: out of his mouth cometh knowledge and understanding."

1956 Sports and Boat Show Dates Set For March

Dates for the 1956 San Francisco National Sports and Boat Show have been set for March 2 through 11 at the San Francisco Civic Auditorium, Thomas R. Rooney, the exposition's manager announced this week.

More fishing tackle, guns, outboard motors, boats, camping gear, tents, trailers, marine accessories and resort exhibits will comprise this year's show than any in the exposition's 11-year history, Rooney stated. The sporting goods and boating industries regard the San Francisco show as the kick-off date for California's huge and prosperous outdoor and vacation season.

ARLINGTON COMMUNITY

Sermon topic on Sunday morning will be the first in a series on "Who Is the Christian?" It is entitled "The Christian: His Faith," based on the text, John 1:12 "To all who received Him who believed in His name, He gave power to become children of God."

At the 11 o'clock services there will be baptism of children and adults, and the reception of about 40 new members. A coffee hour after the service will honor the new members.

Holy Communion will be celebrated at both the 9:30 and 11 o'clock services.

Look Magazine Prints Color Chart In Ad Tuesday

Have you taken a look at Look? The Feb. 21 issue of this popular national magazine is making publishing history. Here for the first time ever, a consumer magazine includes an actual color card insert, a full page full color ad on "Duke Boy" Nalplex, and a complete listing of dealers who carry this new latex flat wall paint. Four local Dutch Boy dealers, Albany Paint and Supply, is listed in the page of Look as one of 430 dealers who sell Nalplex. While such dealer listings have been used for other products, it is believed that this is the first time such a nation wide listing has been made in the paint industry.

The color card insert is unique, too. Fifteen lovely colors are shown, all with actual paint swatches rather than with approximations of the colors produced by printing inks. The colors you see are the actual colors you can buy. This makes it easy to choose your favorite color right at home using the Nalplex color card insert in Look magazine. Well over four million of these color cards were produced for this "first of its kind" project.

If you'd like to know more about this remarkable new paint, Mr. Ruyven of Albany Paint and Supply will be glad to show you what it will do. He will be glad to help you with any decorating problems.

Children's Hospital of the East Bay Will Hold Easter Fair Benefit Mar. 1-4

Every year, the Easter Rabbit is prodded into activity by the branches of Children's Hospital of the East Bay. For regardless of the moon's phases, their annual Easter Fair benefit for the hospital's always staged the first week end of March.

Mrs. William Harold Oliver, general chairman of the branches, tells that the 18th Annual Easter Fair will open on March 1 at the hotel Claremont in Berkeley. The four-day round of events continues through March 2, 3 and 4.

Amid beautiful commercial displays and industrial exhibits on the main floor of the hotel, other main rooms will be the settings for parties and special events. A Mardi Gras and carnival theme will prevail the opening night, a preview for auctioneers and their friends.

John Jay, called a "mentalist" and "master of the unusual" will be the featured entertainment Friday evening at Easter Fair, while Saturday will see the younger sets converging on the Claremont. Two performances of a children's variety show are scheduled for 10 a.m. and 1 p.m., with Deputy Dave Luu Bde, a trained bear, and a skating act providing entertainment for the small fry, and the sub-deb fashion show at 4 o'clock.

request of Goodwin J. Governor of the State of New York, Albany, like the other cities of the state, is planning a new fashioned Town Meeting. The purpose of the meeting is to bring together the interested agencies, organizations and individuals of the community to evaluate existing facilities and programs and to discuss the local aspects of delinquency and delinquency prevention. The meeting will be held Monday, March 12, at the Cornell University Auditorium, Solano and Talbot. The speaker of the evening will be Austin MacCormick, criminologist from the University of California, School of Criminology. Mr. MacCormick is a very straight forward, practical advocate of all delinquency measures, both preventive and corrective. Following the formal address, the participants will be broken down into small discussion or workshop groups and a group of experts will be available to answer questions of assistance. The meeting is free to teenagers and adults alike. The meeting is not unique to any one city and each group can present its own problems and possible solutions. A free discussion such as this is a very valuable experience.

Albany Polio March Over Top in Drive

Enthusiastic "marchers" and a generous community were attributed today with bringing success to the Mothers' March on Polio in Albany and throughout the county.

Mrs. A. A. Raddler and Mrs. Godfrey P. Hanson, co-chairmen of the local neighborhood solicitation held Jan. 31, announced Albany residents contributed \$2,846.20 during the two-hour Mothers' March. The figure is far ahead of last year's total of \$2,011.

They reported the Mothers' March in Alameda County raised \$121,520.94 to top the 1955 "March" by \$35,090.94.

They said the figures are still incomplete and subject to a bank recount.

Lenten Services at Christ Lutheran

The Lenten Service at Christ Lutheran Church at 7:30 p.m. Wednesday with the new sound movie, "Embassador in Bonds." This biographical study of the beginning of Protestant foreign work 250 years ago by Bartholomew Ziegenbrog will be presented in place of the Lenten sermon.

The congregation laymen who lead Bible study classes on the Book of Romans will meet at the conclusion of the service.

Church Conference To be Held Feb. 25

"Peace in Our Time," will be the theme of the Albany-Berkeley Church Conference on World Order to be held as an all day workshop at Calvary Presbyterian Church from 9 a.m. to 4 p.m. on Saturday, Feb. 25, according to Dr. Cecil Thomas, chairman of the planning committee. The conference is being sponsored by the Albany-Berkeley Council of Churches.

The program for the conference will keynote two outstanding speakers, Dr. Lester E. Reukema, U. C. professor in electrical engineering and former president of the Albany-Berkeley Council of Churches, and Dr. Alfred Fisk, professor at San Francisco State College.

Kensington Sponsors Needy Nationals

"Hands across the sea" might well be the slogan of the "Save The Children" program of Kensington School, which is a part of the National Save The Children Federation. Under PTA chairmanship, the Kensington School sponsors a Navaho boy, a German girl, a Greek boy, a Korean boy, and an Italian boy.

Kensington School made an annual pledge of \$800, and has made one quarterly payment of \$199.50. A second quarterly payment is due in February.

Fun, Fiesta and Flowers

By MAXINE VIERECK

Nonchalant Norm Alvarez, the suave host at Palm Garden Cocktail Lounge, has decreed Monday through Wednesday early week Fun Nights. That's when cozy couples and small intimate groups have the time and space to request special numbers from the maestro of the organ piano-bar, "Billy Knox the Silver Fox." The noted organist opened both the Fox Oakland and Paramount Theatres and is a veteran of the Orpheum Circuit. He has the facility to "mix 'em up" to satisfy the young progressive music fans as well as the customers who want to hear again the tunes they remember from the late thirties and early forties.

Bill Stahlberg of Solano Avenue Florist made up the corsages for 40 Lady Lions at last night's annual Valentine party at the Albany Lions Club.

Delicate gladioli in shades of pink, yellow, coral, orange and white will make a colorful display for home decorations from Solano Avenue Florist this weekend.

Red Barn is especially favored by parents with young children who find a warm welcome from Owner Wayne Leach. The youngsters look forward to dining there because of the gift treats Leach keeps in stock for small fry trade. Now that the Lenten season is here the daily choice of 10 varieties of fresh, expertly cooked fish is a timely feature at Red Barn. The restaurant is located on Solano Avenue at Ensenada with parking on the premises.

Now is the time for all good green thumbs to come to the aid of their gardens if they want gladioli blossoming all summer long. Johnny Fleich at Flowerland advises that from now until the first of May is the proper time to put in gladioli bulbs and he's running a special price on them this week. After the first of May the warm soil causes a plant disease called thrip.

Another timely hint from Flowerland is the available supply of dwarf fruit trees in an excellent variety for the Albany area. (See Flowerland's display ad today for the bargain price on dwarf fruit trees). For the average sized town garden, dwarf trees are most practical.

We conducted a fried chicken taste testing experiment this week in the offices of the Albany Times.

The testing material was furnished by Wilcox's of 823 San Pablo Ave. Unanimous results of the test were: (1) "I've never eaten better fried chicken;" (2) "Such generous sized pieces;" and (3) "This tastes like Sunday dinners at the farm." And if your entire preference is steak, Wilcox's serves a New Yorker at \$1.15.

Biggest bowling event in Northern California is tomorrow's 7:30 p.m. opening ceremonies at Albany Bowl for the annual city championships sponsored by Metropolitan Oakland Bowling Association. More than 3500 bowlers from Hayward, San Lorenzo, San Leandro, Alameda, Oakland, Berkeley and Albany will participate.

Albany's Mayor Lewis M. Howell will officiate in opening the tournament to which the public is invited. Also on hand will be Oakland Mayor Clifford E. Rishell, a past president of the bowling association which ranks eighth in the nation. The group's team championships will be played at Albany Bowl followed by singles and doubles to be bowled in Alameda. The tournament will run for three weeks.

Sunday midnight is deadline at Albany Bowl for bowling contestants to win trips on the first flight to Las Vegas in the "Dual" Singles Tournament. Prizes total \$8500 with 96 all expense paid trips to the Horseshoe Club to be awarded.

Word to wives who relish a change from their own cooking: You'll find it easier to get hubby into the habit of taking you out for dinner at the Bonanza on University Ave. just west of San Pablo. The bait is a three-quarter lb. New York steak with garlic bread and the price just \$1.65.

Bonanza is also a favorite rendezvous for lunching merchants who enjoy the easy informality of the bar-restaurant. Friendly service is a by-word for Melba, the cute red-haired waitress, and "Smiling Sammy" will make you feel at home. Try the extra dry martinis for a real appetizer.
